Plan to Attend the Annual JPYC Halloween Party

Saturday, October 30, 2004

From the Bridge

JPYCers,

Bon voyage, adios, au revoir, etc. The active boating season is over for 2004, and it's been a mixed bag. Cooler than we'd like it to have been. Some weekends jacket weather. We'll get 'em next year! But we still have lots of stuff to do. The Fall Work Party will be held on October 23rd, 9:30 am till we get done. Lunch will be provided. I have arranged for a pot of chili, (actually, I had to kinda whine), and who knows what else. There's always plenty to eat. Plenty of work too. Not like the old days when we dissembled docks and towed them to storage. I didn't say they were the GOOD old days. Anyway, plenty of stuff to do to button up the buildings for winter. Come and rehash the season, or meet new folks.

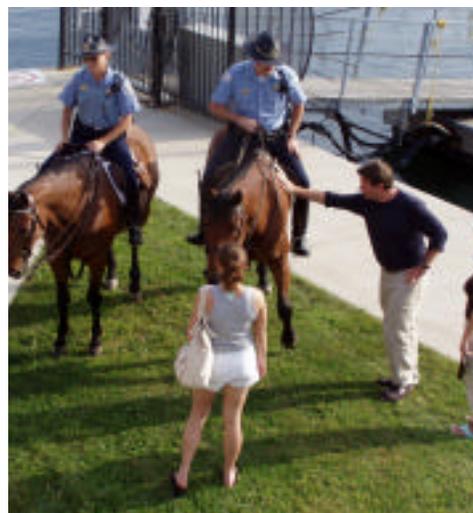

Friday night movies will continue through the winter, so bring a dish and watch a first run or old favorite on the JPYC big screen.

The Annual Halloween Party will commence on October 30th at 7:30 pm. I have it on good authority that this year will surpass last year's awesome spectacle. Come in costume, or as yourself, but COME. Bring a favorite entrée, dessert, etc; this is a pot-luck event. There will be a caldron for donations for the decorations, please be generous. Diane Jaderburg and her crew of gnomes and zombies work very hard to bring us the best in frightful fun, so come and see what they have wrought. Pictures do not begin to tell the story, you have to see it!

The annual Chicago Yachting Association Ball will be held on

Fall Work Party

Saturday, October 23, 2004

Plan to attend and help put the club to bed for the winter. We will begin at 9:30 am.

From the Bridge *(Continued)*

November 13th, at the Westin O'Hare. Everyone should have received an invitation by mail. This is our sport's big bash of the season. Black tie is optional, the parking is free and there is a 3 hour open bar, live music and dancing and the food is good. This event is especially noteworthy because Captain Bill Pinkney will be given the CYA's first lifetime achievement award.

Please return your response card and indicate Jackson Park as your club. They will seat us together. If you haven't received an invitation and want to attend, call me at 708-485-4232 and I will get you on the list. This is a pre-paid event, so they are asking for checks.

Cost is \$90.00 per person. Yes, I will be taking attendance! Just kidding. I hope to see many of you there, honoring a man who has truly achieved more in a lifetime than we can dream about.

Remember that the annual member's meeting is December 14th at 7pm at the club. We will have the annual report, financial report, election of officers and plans for the club for 2005 presented. Keep watching this space for further details.

I know it's not the end of the year, but I'd like to remind everyone of the great job that Jeff did for us this past summer. He made us realize how much we really need that presence. Jeff has moved on to his avowed vocation, as a caregiver, and we wish him well.

The board of directors has hired Daryl Jones as our building caretaker for this winter, so you will see him at the club over the winter. Daryl has years of experience in building maintenance. Next spring we will hire a full-time steward for the season.

See you at the séance,

David Dobbs, Commodore

JPYC Gets New Computer

The club will be purchasing a new computer for the office. There will be another computer outside of the office for members to use, as well.

Wendy Graves:

Galley

Thank you to all who supported the 2004 JPYC galley. This year's food service did not change much from the previous season but the feedback was positive. Everyone is always having a good time on the porch and having food service just makes it even nicer.

I have not had a chance to finalize the finances but it appears that the numbers will be about the same as last year. We will have a report at the December members meeting.

This year we gave Willie and Ann a small hourly raise. As always, Willie does a great job in the kitchen and has hardly any food waste. Ann was stopping in various stores to save us money on breads and dry good items. They both have made a lot of "friends" at JPYC.

The fall work party marks the end of the 2004 boating season. The club will have the galley cleaned out and ready for our Friday night movies and fish fry. Come and join us each Friday for a pot luck popcorn party!

Wendy Graves
Galley Chairperson

We're Welcomed!

The commodore of Columbia is offering to let JPYC members use their dining room, now that our galley is closed. I've eaten there and can tell you the food is better than great. Prices are reasonable, they will take credit cards, just let them know you're from JPYC.

—Commodore Dobbs

**Please make your voice be hear.
