JYPC A Special Place To be

By Sylvia Ewing Harvey

Jackson Park Yacht Club is a great place to berth a boat and to enjoy the waterways. But JPYC is especially great for connecting with friends.

I became involved with the club thanks to my friends, Ava and Isaac Stanley. I spent at least a couple of years enjoying their hospitality at special events, and just hanging out before or after going out in their boat, The Queen of the Sea.

I had learned that associate memberships were available for non-boat owners. Eventually I took the step to join with the Stanley's as our sponsors. This is my second year as a member, and it is a great investment and more importantly, a great connection to a wonderful community. It's been a very busy summer and I have not had as much time for fun as I would have liked. However, if one is creative there are many ways to make use of a membership.

I used the club for a combined graduation and birthday party for my daughter. The new rental process is a little different but not hard to do. It was a wonderful opportunity to show our beautiful facility to new people. Just recently a few friends met me at the club for a planning meeting and again these people were excited about the club and wanted to know more about how to join.

I appreciate all the hard work that has gone into making the JPYC a great place. My husband Sylvester and I plan to be a part of the club for years to come.

At a time when there are so many things that keep people apart in the world, it is a joy to belong to an institution that brings people together.

Would you like to participate in a new kind of race? The skipper and navigator must be under the age of 18 years of age, while the rest of the crew can be any age. If you've got a boat and you're interested, sign up through Area III here.

You make a difference.

Thank you for choosing to be a member at the Jackson Park Yacht Club where "If you're a member, you're a volunteer." Each and every member makes this Club a better place. Whether we come to watch a game, go out for a sail, or grab a bite to eat, we all clean up after ourselves and take out the trash. Remember dishes, silverware, and other kitchen items belong to the Club. Please use what you need and return these items clean in the place where you found them. They are meant to be there for our convenience, not free for the taking. It's a community where we share and make a difference. Thank you for being a part of it.

Membership Application Process

A new application is now available on our website and above the stairwell bulletin board. For anyone interested in joining the Club, a completed application along with payment must be received. Membership is not automatically approved. The application is posted on the bulletin board for 10 days and voted on at the next Board Meeting. If it has been posted for less than 10 days and there's a Board Meeting during that time, it will be voted on at the next month's Board Meeting. Sometimes this process takes over a month. If you have questions regarding this process, please read the back page of the membership application. Thank you.
